Stewart Title is pleased to announce that beginning November 2009, Capilano University's Paralegal Program will offer a **new certification workshop** on the [Brief Convey™](#) real estate conveyancing application.

Brief Convey™ is a desktop conveyancing application used in law offices across British Columbia and Alberta, which generates documents required to close real estate transactions. The application facilitates both paper form and electronic filing and is integrated with many applications used by today's paralegals including [TELUS Assyst Real Estate](#), [Atsource](#) and [BC OnLine](#).

As the owners and operators of Brief Convey™, we are proud to offer this certification workshop to Capilano University, further demonstrating of our continued support of the legal community and British Columbia Paralegal Association.

Stewart Title Guaranty Co. is a leader in the Canadian title insurance industry and helps legal professionals increase efficiency and decrease costs by offering value-added title insurance products for residential and commercial properties. Stewart Title's unwavering philosophy is that the role of a title insurer in Canada should be to underwrite risk, allowing legal professionals to provide legal advice and prepare documents. Stewart Title does not participate in or support programs that reduce or eliminate the lawyer's/notary's role in real estate transactions.
